

Déborder Bolloré

An abstract black line drawing on a white background. The drawing consists of numerous fluid, overlapping, and somewhat chaotic lines that sweep across the page. Some lines are thick and bold, while others are thin and delicate. The overall effect is one of dynamic movement and organic form, reminiscent of a gestural sketch or a calligraphic expression. The lines seem to flow from the top right towards the bottom left, with some loops and swirls in between.

**Faire face au libéralisme autoritaire
dans le monde du livre**
